## An Offering

### **An Offering**

Trace the curve of the gibbous moon  
Sip slowly a cold glass of water  
Taste the first bite of autumn's apples  
Breathe deeply— the air of one breath  
Enter the cathedral of forever woods  
Kneel between rows of the garden's raised beds  
Smell the wet earth drifting toward sleep  
Hold a hand that has been left empty  
Look up to the sky and wonder  
If this answers what you're waiting for.
