I Think I Wished To Live Simply...

Cover Page Footnote

Appeared in the issue: 1973.

I think I wished to live simply
let my feet, like child's lips
draw nourishment
but somehow
concrete is all that is here
and looks determines sweet
or words more appropriate.
In time
walking will be memory
of what should have been desired.
I think I wanted to live simply
and I know I wish to walk
